DETAILED ACTION

1. This communication is in response to Applicant's response, dated March 21, 2005, to the Office Action for non-Final Rejection.

The Action is to further resolve the issue of claim group election when the telephone conversation, conducted on May 10, 2005, with and, voice messages, left on May 12-13, 2005, for Applicant (Ms. Marisa J. Dubuc, Reg. No. 46,673) but Applicant failed to elect one of the claim groups.

2. Restriction to one of the following inventions is required under 35 U.S.C. 121:

I. Claims 30-31, 33-42, 44 and 47-48, drawn to workstation with installed components having monitoring tool being executed and network link to query user system to build database on detected configuration, and retrieve compatible vendor product information via web site to further optimal configure the user system, classified in class 707, subclass 104.1.

II. Claims 43, 45-46 and 49, drawn to include in the workstation for displaying the explanation text of user system's minor error, and corresponding action items to resolve the error and to prevent future occurrence, classified in class 715, subclass 526.

3. The inventions I and II are related as sub-combinations disclosed as usable together in a single combination. The sub-combinations are distinct from each other if they are shown to be separately usable.

In the instant case, invention I is related to application of data structure, involving method for detecting user system configuration, retrieving vendor product information and further optimal configuring the system. Invention II is related to display data structure, involving user system minor error explanatory text, action items to resolve or prevent the error.

Because these inventions are distinct and related to different art classes and sub-classifications, restriction for examination purposes as indicated is proper.

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(l).

Applicant is reminded that the reply to this restriction election to be completed must be include an election of the invention to be examined within one month from the mailing date of this office action, even though the requirement be traversed (37 CFR 1.143).
